

## Book Bags

Book bags (578 of them!) were hand carried in March 2012 and distributed to 450 students at CCLS-Kawete, Uganda, and two other orphanage/schools in the Waikiso area. These book bags had been lovingly made by LWML, OGT, and CCLS-St. Louis women and children all over Missouri and Illinois, some even from Mississippi. Pencils and small bags of M&M candy (compliments of OGT) were placed in the pencil pouch of each bag. Dorothy Schaser, on hand for the distribution, said, "I wish all the excited clapping and shouts of thanks from the children as they received their own book bag could have been heard and felt by each of the 'creators' of the book bags. It was a wonderful celebration."
